

# Side Windows for Renault Twizy

ELIA Tuning & Design AG

# Twizy

In sunshine the Twizy is great.

# Twizy

When it rains, the Twizy is also great.

Thanks to ELIA  
side windows!

## product description

- Colorless 3 mm safety glass made of **Makrolon** (extruded plastic polycarbonate) with general approval (**ABE**) and lasered mark.
- Double-sided **hard silicone** coating to prevent scratches and any mist.
- Simple basic **assembly** (about 35 minutes).
- Easy **dismounting** (about 30 seconds) for journeys without windows.
- Fixing the window by mounted on the door rail high performance **magnets** and a **lockable** lever.

## product benefits 1

- For vehicles certificated material allowed to use as side windows with international **valid mark**.
- Application Authorization (**ABE**) which can be forwarded to an **ECE** (unique on the market).
- Simple basic mounting with structured **assembly instructions** (patented).
- Fast and easy to mount and use, with very customer-friendly **user manual**.

## product benefits 2

- Side windows can be transport within the vehicle easily with optional **carrying case**.
- **Tested** and proven practice (thousands on the road).
- ELIA is approved and **listed** by Renault with supplier number and quality management system.
